Provide the name and email for a faculty member who would be willing to serve as a reference for you:

Name: _____

Email Address: _____

Please answer the following essay questions in the space provided below (*these are fillable in PDF*).

Question #1: Why are you interested in this waterWRLD internship opportunity?

Question #2: As an intern at Watershed Management Group, you would be part of a team that develops community-based solutions to ensure the long-term prosperity of people and health of the environment. That team provides people with the knowledge, skills, and resources for sustainable livelihoods. What important and/or unique traits would you bring to the team that would further the mission of Watershed Management Group?
